

BeyondZero

a partner in public health transformation

Beyond Zero (BZ) has been successfully implementing comprehensive services across the HIV and TB care continuum in the Eastern Cape (EC), KwaZulu-Natal (KZN) and Limpopo Provinces in the past 16 years; targeting key and vulnerable populations including adolescents and youths, sex workers (SW), orphans and vulnerable children (OVC) and men who have sex with men (MSM) and people living with HIV amongst others. As one of the 4 nominated Principal Recipient (PRs) in South Africa to lead and provide strategic management, oversight, monitoring and evaluation on the implementation of the Global Fund grant for the period April 2019 until March 2022, Beyond Zero is recruiting to fill the following positions under the GF funding mechanism.

Location: BZ Head Offices in East London, Eastern Cape or BZ Gauteng Offices.

Contract duration: One year fixed term with possibility of extension for 3 years depending on funding availability.

Closing date for applications: 5 March, 2019 by close of business.

Anticipated start date: 1 April, 2019

Remuneration: Market related.

1 X MONITORING & EVALUATION MANAGER

Position Description summary: The M&E manager is responsible for designing, development, implementation and management of M&E systems, analysing data and writing reports for funders and management, liaising with Government Information Managers and Donors regarding reporting requirements and strengthening of data management.

Responsibilities:

Lead all M & E initiatives within BZ

1. Award and /or Program Management Support
 - o Lead all M&E initiatives for assigned award including monitoring of data quality, tracking the progress of activities
2. Build M&E capacity in all BZ supported regions:
3. System development
 - o Lead M&E system and process development and creating a framework and procedures for the monitoring and evaluation of program activities
 - o Define and implement the key project performance indicators (KPI) as well as monitor them
 - o Propose strategies to increase data use and demand among Program staff
 - o Manage M& E Officers while they create and revise tools and data collection procedures (framework, project performance tracking, indicators, data flow chart, M& E manuals)
4. Data management and analysis
 - o Keep abreast of award/program changes and progress in order to advise and recommend tools and strategies to increase program performances and results
 - o Identify strengths and weaknesses in existing data collection and management systems and propose solutions
 - o Conduct field visits to ensure quality of data collected and to verify accuracy of reported data
 - o Ensure that donor, partner and SMT data queries are addressed timeously
5. Compliance reporting
 - o Compile high quality external compliance reports as per donor reporting requirements including quarterly, narrative and annual reports
 - o Compile monthly internal programme activity reports
