

BeyondZero

a partner in public health transformation

Beyond Zero (BZ) has been successfully implementing comprehensive services across the HIV and TB care continuum in the Eastern Cape (EC), KwaZulu-Natal (KZN) and Limpopo Provinces in the past 16 years; targeting key and vulnerable populations including adolescents and youths, sex workers (SW), orphans and vulnerable children (OVC) and men who have sex with men (MSM) and people living with HIV amongst others. As one of the 4 nominated Principal Recipient (PRs) in South Africa to lead and provide strategic management, oversight, monitoring and evaluation on the implementation of the Global Fund grant for the period April 2019 until March 2022, Beyond Zero is recruiting to fill the following positions under the GF funding mechanism.

Location: BZ Head Offices in East London, Eastern Cape or BZ Gauteng Offices.

Contract duration: One year fixed term with possibility of extension for 3 years depending on funding availability.

Closing date for applications: 5 March, 2019 by close of business.

Anticipated start date: 1 April, 2019

Remuneration: Market related.

1 X COMMUNITY RESPONSE & SYSTEMS TECHNICAL LEAD

Position Description Summary: The CRS Technical lead will provide overall technical leadership and guidance in the implementation of all CRS interventions and activities for the Global Fund grant. Working closely with all GF and SANAC structures, the CRS Technical Lead will lead planning, implementation, monitoring, evaluation, learning and strengthening program quality for the CRS module. The position will provide strategic leadership and oversight, provide expert advice, capacity building and ensure skills transfer on CRS. Working closely with SANAC, the CRS Lead will ensure optimal compliance to Award reporting and monitoring requirements to track performance against set targets, document lessons learnt and best practises as well as using evidence for program planning.

Duties & Responsibilities

1. Working closely with BZ Management team members, develop a comprehensive implementation strategy for the CRS interventions and lead adoption amongst SRs
2. Working closely with CCM and the GF technical lead, lead implementation of CRS interventions at PAC and LAC level.
3. Provide leadership and oversight to the Provincial CRS team to ensure they deliver optimally on their roles and responsibilities, ensure high performance and achievements of set deliverables
4. Provide TA in the design of CRS training packages, facilitate capacity building, mentoring and coaching.
5. Support dissemination, institutionalization and monitoring the application of guidelines at all levels
6. Support relevant stakeholders to strengthen community health information systems and reporting and community use of data for health system improvements.
7. Maintain close collaboration with other in-country technical partners, CBOs, and private health sector stakeholders to leverage opportunities for collaboration, avoid duplication and ensure programmatic alignment.
8. Represent the Organization at coordination meetings with development partners and stakeholders.
9. Assist with other tasks as assigned by the Project Director
