1 X SMALL GRANTS MANAGER	: EAST LONDON

Beyond Zero (BZ) has been successfully implementing comprehensive services across the HIV and TB care continuum in the Eastern Cape (EC), Free State (FS), KwaZulu-Natal (KZN) and Limpopo Provinces in the past 18 years; targeting key and vulnerable populations including adolescents and youths, sex workers (SW), orphans and vulnerable children (OVC) and men who have sex with men (MSM) and people living with HIV amongst others.

As one of the 4 nominated Principal Recipient (PRs) in South Africa to lead and provide strategic management, oversight, monitoring, and evaluation on the implementation of the Global Fund grant.

Purpose of the role

Small Grants Manager responsibility will include managing overall grant efforts, documenting payments and expenditure, optimizing the grant administration process, overseeing, preparing CSO progress reports, ensuring compliance with grant regulations, reviewing grant proposals, managing grant databases, engaging with donor agencies, educating staff on policies, and preparing financial reports. The ideal candidate for this role should have superior organizational skills, great leadership qualities, and exceptional budgeting and monitoring skills. The outstanding grants manager should re-enforce relationships with implementing partners, ensure that grant programs operate efficiently, streamline grant administration, and keep our organization fiscally sound.

Duties and Responsibilities:

1. Strategic & Operational Planning

- Designing grant programs.
- Determining funding needs.
- Researching funding opportunities for CSOs.
- Reporting to the Senior Management Team.
- Coordinating and engaging with compliance and other programmes teams.
- Optimizing the grant administration process.
- Managing timelines and deliverables.
- Preparing and monitoring budgets.
- Tracking grant applications.
- Liaise with Risk and Compliance to solicit inputs on grant management process and review existing Beyond Zero grant policies to ensure alignment to donor requirements.
- Develop Beyond Zero strategy, management and monitoring tools and implementation guidelines for the grants programme.
- Develop minimum standards for Beyond Zero grants management systems that will allow improved management and monitoring of funds to grantees.
- Facilitate the determination, dissemination, and monitoring of program targets.
- Facilitate and support development of a database of programmes funded through donors.

- Capacity building within grantees to ensure compliance to reporting standards and implementation of programme objectives.
- Preparation of supporting documentation for meetings as and when required coordinate logistical arrangements for provincial workshops and meetings

2. Programme Management and Coordination

- Oversee and provide technical guidance on the development of programme implementation models, theories of change, programme descriptions, management protocols and budgets.
- Oversee the development of programmatic workplans and budgets and ensure regular updates.
- Monitor expenditure and align with programme objectives and performance.
- Ensure that all programmes are effectively implemented in alignment with Beyond Zero strategic direction and approved workplans and targets.
- Facilitate quality assurance of all work by monitoring content and implementation of work and documentation required from programme managers.
- Facilitate regular team meetings for effective and efficient programme coordination.

3. Tracking Programme Performance and Reporting

- Provide support to other units regarding the development and maintenance of programme performance measurement frameworks and system(s) to monitor, evaluate and report on programme performance as required.
- Monitor performance on programme indicators and targets and manage challenges identified by the activity/ output monitoring and evaluation process.
- Guide programme specialists with technical analysis of programme performance and suggested plans for reprogramming where necessary to improve programme outcomes.
- Produce periodic reports and feed back to the CFO on all programme objectives, implementation plans, and performance as required.
- Facilitate in-depth discussions with programme evaluation service providers to optimally work on quality improvement recommendations and other suggestions.
- Produce quarterly progress and expenditure reports on relevant GF Grant Programmes for submission to the CCM, SANAC, the LFA and the Global Fund.

4. Networking and Representation

- Liaise with relevant donors and related national authorities to ensure a constant flow of information and good working relationships.
- Network with and build strategic alliances and relationships with key role players and stakeholders working in complementary fields.
- Liaise with contracted programme implementers as required.
- Represent Beyond zero at high level technical meetings and forums at all levels.

5. Human Resource Management

- Ensure that programme specialists and other staff receive induction, orientation and training on technical and clinical matters as required.

Minimum Qualification, Education and Experience

- Honour's Degree qualification in management, business administration, social science, public health, or related field.
- Proven ability to communicate and interact with high level officials from government agencies, NGOs, international development organisation and private sector.
- Valid SA driver's license

Skills & Competencies

- High degree of organisational skills, initiative, and problem-solving abilities.
- Strong quantitative skills including monitoring and evaluation of HIV programmes.
- Ability to synthesize complex concepts and communicate them.
- Stakeholder relationship management skills.
- Deadline oriented.
- Interpersonal skills
- Strategic thinking and management
- Assertiveness and resilience
