

**BZ 01 CRS 018-2022 - Terms of Reference for Service Provider (SP) to Conduct Organizational Capacity Assessments (OCAs) for Civil Society Organizations in the Eastern Cape, Limpopo, and Free State provinces**

#	Questions	Answers
1	I'm kindly requesting whether it could be possible to share your Capacity Assessment Tool (CAT) to enable us to estimate the amount of time to be used to administer the tool for the purpose of budgeting. The other request is whether or not you are able to indicate the number of CSOs per subdistrict to assist us plan the number of officials to be deployed in each sub-district.	The CAT is standard Global Fund and USAID tool, therefore Beyond Zero cannot share the documents with bidders.
2	The TOR indicates that the capacity assessment tool (CAT) is available; in what format is the tool?	The tool is in excel.
