Beyond Zero (BZ) has been successfully implementing comprehensive services across the HIV and TB care continuum in the Eastern Cape (EC), Free State (FS), KwaZulu-Natal (KZN) and Limpopo Provinces in the past 18 years; targeting key and vulnerable populations including adolescents and youths, sex workers (SW), orphans and vulnerable children (OVC) and men who have sex with men (MSM) and people living with HIV amongst others. Beyond Zero is recruiting to fill the following positions to drive Health Services intervention on **Bumbingomso**, a development project of NDOH, co-financed by Federal Republic of Germany through KFW and the DG Murray Trust in Buffalo City District and Amathole District.

Purpose of the role

The project manager will ensure the successful operation of the Bumbingomso (BI) health intervention and high-risk group intervention programmes. Provide overall project management of the project team and support strategic planning and decisions for the team to increase access to and improve quality of HIV care, treatment, prevention, community-based activities and HAST collaboration across BI target populations. Provide leadership in partnering with key government departments and other stakeholders with the common BI goal.

Duties and Responsibilities

- Development and implementation of the HIV prevention project workplan for execution of BI funds
 - Development and implementation of BI health intervention and high-risk group intervention work plans
 - Ensure quality control of achieved results of the overall programme plans
- Provide leadership in strategic directions of all BI health intervention and HRG operations
- Ensure provision of top-quality advisory services and facilitation of capacity building
- Efficient support to activities related to advocacy, programme planning, monitoring and evaluation and overall representation of the programme in all relevant platforms
- Provide overall supervision and guidance to all BI project staff
- Monitor the progress of the project objectives and target and work with other BI partners and the supported district management teams to accomplish project goals and objectives
- Establish and maintain effective project reporting, evaluation, and communication systems. Submit timely accurate and professional program reports that meet donor requirements
- Manage project budget within approved spending levels and support finance dept to develop and submit accurate and timely financial reports to donor and support office staff
- Liaise with relevant government departments, project partners and other organizations as appropriate
- Provide regular clear communications and reports to Beyond Zero senior management team with regards to project progress
- Other duties as and when assigned

Educational Qualifications & Experience Required:

- University degree in Social Sciences or Health with a tertiary level qualification in Public Health (with 2 -5 years of experience at management level)
- Minimum 5 years of overall experience in the development of health service delivery and the management of health systems, emphasizing the revitalization of primary health care systems to cater for the youth and the high-risk population.
- At least 3 years of experience in a program management position with responsibility for improving the results of the public health services
- Demonstrated ability to work with National, provincial and District department of health management, AIDS Councils, local health staff, and local officials to implement improvements in health carefield.
- Ability to travel up to between the two BI supported districts
- Proficiency in Microsoft Office applications including MS Word, Excel, and PowerPoint. Internet fluency a plus.
- Driver's license compulsory

Skills Requirements/Competencies:

- Extensive computer literacy (MS Office suite).
- Excellent analytical, oral, and written English communication skills.
- Willingness to travel between facilities.
- Self-guided, strong organizational and planning skills.
- Strong interpersonal communication skills.
- Quality driven and accuracy, excellent planning and report writing Skills.

By applying for any of the above-mentioned positions, applicants consent to BZ to conduct qualification, ID, Criminal and Reference checks on them which form part of its recruitment process.
